

- **Pricing and Payment**

- ✓ Payment is expected at time of service. If this is not possible you will be provided a payment plan.
- ✓ We accept most insurance and bill your insurance directly. While some of the services may be covered by your insurance plan, most insurance plans do not cover everything. We will work with your insurance companies as much as possible, it is important that you communicate any financial concerns you have.
- ✓ These services are not covered by Medicare or Medicaid.
- ✓ Non-covered services will be billed directly to you at a rate of:
 - ❖ Initial evaluation \$200. Future consults with Dr. Carr will be billed at \$50 per 15 minute increments
 - ❖ Future consults with the health coaches will be billed at \$25 per 15 minute increments
 - ❖ Lab testing will vary depending on the test performed.

- **No Contract**

- ✓ You are not bound by any contract, you may remain a patient as long as you desire. If you decide to discontinue inform your health coach.

- **Labs**

- ✓ A very extensive lab panel may be paramount to your care. If you believe your insurance will not cover the costs, we can help you with cash pay prices. We have a full time Medical Technician in the clinic for your convenience.

- **Supplements**

- ✓ As the modern diet cannot supply the nutrients we need for optimal health, nutritional supplements are a staple. Prospective patients are often concerned about how much additional expense this will add. Dr. Carr is very sensitive to supplements

being taken unnecessarily and will provide you with a priority order of your supplement needs. Additionally we provide access to the highest quality supplements and have negotiated 10% to 15% discount from the supplier. Supplements can be purchased at our Internally Natural Nutrition Department.
